Positive: Communication, Professionalism, Quality, Value

My wife is a speech and language therapist and she works with clients with communication and language concerns.

She has always been wanting to learn foreign languages as her passion. But due to our hectic work schedule it never happened for some or other reason.

Came across Lalit's post about their organisation and services. I contacted Mr. Lalit and he was very quick to respond and explained us what's the best language to consider to learn not only for her personal interest but professionally also which can be used widely. So we went for Japanese language Enrollment.

It's been over 30 hours of teaching that has happened, my wife has been very happy the way the trainer has implemented the module till now and it's been a great experience for her learning.

You have a great team indeed.

Highly recommended to every one who has a passion or need to learn foreign language.

Thank you 🙌👍
