I'm learning Spanish at ReSOLT language classes in Mumbai which is one of those institutes where you can get a chance to learn your favorite language. They provide almost all the foreign languages with a very reasonable price which are very necessary and beneficial for everyone who's looking for a job in any sector. I'm learning the language I always wanted to learn and become fluent in it and ReSOLT is helping me to achieve it.

Happy to write this review and recommendation for the Institute. It is perhaps one of the best institutions for Spanish language in Mumbai where they take care of everything so well that one doesn't feel that he/she is learning a "foreign" language. Admin staff, teachers are passionate about making you learn and speak Spanish and they do their job well. They have a system for everything. from inquiry to registration, dispatch of the materials, evaluation, presentation, exam results, dispatch of certificate etc.

I would like to recommend ReSOLT for Spanish learning classes.

Japanese is an East Asian language spoken by approximately 128 million people, the majority of whom live in Japan, where it is the national language. It belongs to the Japonic (or Japanese-Ryukyuan) language family, and its relationship to other languages, such as Korean, is debatable. Japonic languages have been classified as part of other language families such as Ainu, Austroasiatic, and the now-discredited Altaic, but none of these classifications has achieved general recognition. Japanese is a mora-timed agglutinative language with straightforward phonotactics, a pure vowel system, phonemic vowel and consonant length, and lexically important pitch-accent. Word order is usually subject-object-verb, with particles indicating grammatical function, and sentence structure is a

Dear Team ReSOLT,

I take pleasure in sharing with you that team Shubham who had opted to learn the basics of English Communication, under the guidance of tutor Rohan Gomes, has benefitted a lot.

With an overall learning journey of approximately 4 months, some of the team members have actually shown the primary indicators of transition as we see some positive changes in their grooming, language skills and behaviour as well as written communication.

The process adopted to impart the skills was found to be cohesive to the learning style of the participants. The tutor has ensured that the students do practice the learnings via various modes of self-study / exercises / assignments.

The management of Shubham Pharmaceuticals sincerely appreciates the efforts taken to make this learning experience soothing and seamless.

Overall the collaboration with ReSOLT was positive and professional.

We look forward to the long term association with ReSOLT and will surely look as one of the key training partners for team Shubham.

Thank you and wishing team ReSOLT the very best for their future endeavours.
