Dear Team ReSOLT,

I take pleasure in sharing with you that team Shubham who had opted to learn the basics of English Communication, under the guidance of tutor Rohan Gomes, has benefitted a lot.

With an overall learning journey of approximately 4 months, some of the team members have actually shown the primary indicators of transition as we see some positive changes in their grooming, language skills and behaviour as well as written communication.

The process adopted to impart the skills was found to be cohesive to the learning style of the participants. The tutor has ensured that the students do practice the learnings via various modes of self-study / exercises / assignments.

The management of Shubham Pharmaceuticals sincerely appreciates the efforts taken to make this learning experience soothing and seamless.

Overall the collaboration with ReSOLT was positive and professional.

We look forward to the long term association with ReSOLT and will surely look as one of the key training partners for team Shubham.
