ReSOLT is really the best app for learning foreign languages. One of my friends suggested me this app to learn Korean language or another those I wanted. When I start learning with this app, I was enjoying the methods by which this was teaching. So I suggested this app for learning Korean language in Mumbai.

Thanks team ReSOLT.

I took my Korean lessons from ReSOLT while preparing for TOPIK exams. The first 2 levels went by fun and easy. The third level took some time but it got completed on a satisfactory note. Really good trainers for all levels of Korean language courses. Well designed Korean courses by expert faculty and the staff is cordial too.

Having completed my Korean coaching from ReSOLT, I can now say that it's one of the best Korean language institute in Mumbai. Detailed Korean classes. Go its Korean language classes. Highly recommended based on my experience.

### Which is the best place to learn Japanese in Mumbai?

#### Which is the best place to learn Japanese in Mumbai?

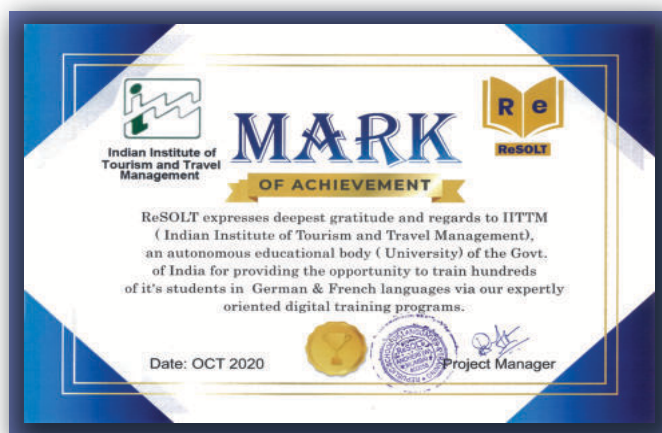

Japanese is an East Asian language spoken by approximately 128 million people, the majority of whom live in Japan, where it is the national language. It belongs to the Japonic (or Japanese-Ryukyuan) language family, and its relationship to other languages, such as Korean, is debatable. Japonic languages have been classified as part of other language families such as Ainu, Austroasiatic, and the now-discredited Altaic, but none of these classifications has achieved general recognition. Japanese is a mora-timed agglutinative language with straightforward phonotactics, a pure vowel system, phonemic vowel and consonant length, and lexically important pitch-accent. Word order is usually subject-object-verb, with particles indicating grammatical function, and sentence structure is a
